The purpose of this scholarship shall be “to reward one or more seniors who have participated in the football program at Walled Lake Central High School.

The selection will be based on the player’s dedication to the football program and love of the sport, with strongest preference for those players who have participated for all four years at Central High. It is not based upon financial need, academic or athletic excellence, but applicants must have earned a varsity letter, have a cumulative grade point average of 2.5 or better and have a strong desire to pursue studies at an accredited college, university, business school or trade school.”

Note: This form is to be accompanied by a transcript of grades from the high school. This page is to be removed and kept on file in the high school Counseling Office. The information on this page will be provided to the Legacy Scholarship Funds, Inc. when and only if this applicant is selected to receive a LSF scholarship grant. The applicant screening and selection committee will see only the numerically coded following pages.

Completed applications are to be returned to the student’s counseling office unless otherwise directed.

The Walled Lake Central Football Booster Club Scholarship

The Walled Lake Central Football Booster Club Scholarship was established in March, 1993, by the members of the club and friends of the football program at Walled Lake Central.

This scholarship grant is intended to financially help and recognize the faithful, dedicated, contributing player, who practiced hard, played hard, did his best, but did not necessarily make the headlines.

The purpose of this scholarship shall be “to reward one or more seniors who have participated in the football program at Walled Lake Central High School. The selection will be based on the player’s dedication to the football program and love of the sport, with strongest preference for those players who have participated for all four years at Central High. It is not based upon financial need, academic or athletic excellence, but applicants must have earned a varsity letter, have a cumulative grade point average of 2.5 or better and have a strong desire to pursue studies at an accredited college, university, business school or trade school.”
